Q&A

What DTE rates are available on the DSU 5600?

Q:

What DTE rates are available on the DSU 5600?

A:

What DTE rates are available on the DSU 5600?

If the synchronous option is selected, the DTE rate will match the loop rate (56k or 64k) of the DDS service. The asynchronous rates available are 57.6k, 38.4k, 19.2k, 9.6k, 4.8k, 2.4k, and 1.2k.
